

MEMBER APPRECIATION DAY

We will host our annual Member Appreciation Day Thursday, October 17, 2024.

This year's celebration will run from 4:00pm-7:00pm!

We hope that you can make it!

WHATS NEW WITH IRFCU!

We've successfully moved into our new headquarters in Sayre and hope you're settling in just as smoothly. The on-site ATM is up and running, and the ATM at the 199 North Main street location will remain in use until further notice.

We also want to highlight the dedication of our team in Sayre and Wysox. We've introduced a new training program requiring all IRFCU employees to earn a Financial Counseling Certification. This initiative is designed to better address your needs and enhance your overall experience with us. If you're interested in one-on-one financial counseling, we offer these sessions free of charge.

In light of recent national data breaches affecting millions of Americans, it's crucial to use available tools to safeguard against identity theft.

IRFCU Credit Compass: Accessible through our Mobile and Online Banking apps, this tool sends alerts when there are changes to your credit report, helping you detect potential fraud early and protect your personal information.

MasterCard ID Theft Protection: With your IRFCU debit Mastercard, you can access Mastercard's ID Theft Protection™. This includes identity monitoring, alerts, and support from Mastercard's security experts to resolve any issues, including communicating with authorities on your behalf.

If you feel like you, or someone you care about, has been a victim of a scam or identity theft, please contact us immediately. We can help you with the next steps.

MEMBER APPRECIATION DAY DETAILS

This year's member appreciation event will be Thursday October 17, 2024 from 4:00pm-7:00pm at our Sayre Branch. Food will be available for members from 4:30pm-6:30pm. We will also have ice-cream sandwiches, a popcorn bar, and giveaways!

Friday October 18th, we will have an e-recycling truck on site from 11am-1pm for members to securely dispose of tech items such as computers, computer accessories, cables, and more. A full list of acceptable items can be found on our website.
