ESSAY PROMPT

Use the following prompt to either write an essay or create a video that is at least 1 minute long.

Credit unions focus on “people helping people.” Write 500 to 1,000 words describing the ways you follow this philosophy and how your service has impacted your personal life and your community.

If you choose to record a video addressing the above prompt, be creative! Show us your personality!

We look forward to your submission.

To submit your application, please use the email address below or drop it off at your nearest IRFCU branch.

**If students decide to create a video, it must be uploaded to YouTube and the link shared with IRFCU. This is a security measure. We will not accept videos submitted any other way.
